To Whom It May Concern:

Olympic Construction, LLC was added to our contractors list back in March of this year. Since that time they have been very active in bidding our upcoming projects and is always 1<sup>st</sup> to return their bids. They have been awarded 7 of our projects, of which 4 they have already completed.

We have found their workers and subcontractors to be quite competent. They complete their projects in a timely manner and is quite responsive to us and our customers needs.

Sincerely,
